TO THE PUBLIC.

As will be seen by an article in other
columns, The Mail office was lately
consumed by fire, and we only issue
this week and for a few weeks to come,
through the good offices of our neighbor
of the Sun. We have an exceedingly
good offer from one of the best type
foundries in the world, that of Miller &
Richard, Toronto, for a complete new
set of type, that, if in operation, would
enable us to turn out one of the most
complete papers in Canada, and do it
printing equal to the best; but of
course, of our loss, and the amount we
have out-landed, we will have difficulty
in meeting it.

We have out-landed in our book
quite \$2,000 in sums varying from \$1
to \$20; and in those arrears would
only send in amounts due, with renew-
als for this year, we could readily
accept the offer, and be in a position to
complete our fit in the course of three
or four weeks.

We will accept \$1 for the new paper
the rest of this year, and if all our
patrons through the country will only
accept of us for the sending in their
own arrears, their own renewals and
names and cash of others, we will
readily meet our highest wish in the
premises. We are aware that many
customers are in bad circumstances,
through loss of crops, but they are let
their arrears and other effects, while we
leave nothing but our will to do
the best we can under the circum-
stances. With this explanation, we
leave the matter in the hands of our
readers, to do the best they can in an
effort to re-establish The Mail in an
acceptable form.

Respectfully Yours,
C. Cliffe

A CONSERVATIVE RALLY.

A goodly number of enthusiastic
Conservatives, and several others who
never before attended a Conservative meet-
ing, was held at the Brandon house
on Friday evening last. After the
minutes were adopted, the old officers
were re-elected, with the exception of
Mr. Caldwell, as secretary, who per-
sisted in retiring, and Mr. John A.
Brown was appointed in his stead. A
banquet was decided on, and the return
of Mr. Daly, and the executive of the
Association was appointed a committee
to complete arrangements. A resolu-
tion was passed by Mr. Cliffe, express-
ing sympathy with Mr. Cliffe in his
loss, and declaring that an effort be
made to retain his services in the city
in the newspaper field. The motion
was carried unanimously. A com-
mittee composed of Messrs. W. A.
Macdonald, E. J. Baker, R. F. Edgar,
E. Evans and A. Caldwell, was ap-
pointed to draw up a list of names to
be presented to the city council, and
to urge that an effort be made to
retain his services in the city in the
newspaper field. The motion was
carried unanimously. A committee
composed of Messrs. W. A. Macdonald,
E. J. Baker, R. F. Edgar, E. Evans
and A. Caldwell, was appointed to
draw up a list of names to be pre-
sented to the city council, and to
urge that an effort be made to retain
his services in the city in the new-
spaper field.

THE NEW DEAL.

The all-absorbing topic of conversation
these days amongst politicians is the "new
deal" between the Government and
the N. P. railway. Under the old
agreement the company were to pay \$720,
000 for the R. V. R. in 5 per cent
interest bearing bonds, to change the
provision \$50,000 to the construction of two
bridges over the Assiniboine, and to receive
a guarantee on \$2,000,000, being \$6,400
a mile of the Portage, the Morris and the
Brandon branches, and \$5,000 for the
South branch, and to be allowed to "sum-
marily" the entire road for \$500 a mile, over an
area of construction "for etc." This left
the province liable for interest as follows:

Cost of R. V. R. 720,000
Interest at 5 per cent 36,000
Total 756,000

Under the "new deal" the company pay
back for the R. V. R. \$720,000, and receive
\$72,000 for the two bridges, and a cash
bonus of \$17,500 for the 252 miles
of the Portage and Brandon extensions,
and \$1,500 for the 50 miles of South exten-
sion. The province now becomes liable
for 5 per cent interest, as follows:

2,000,000 87,500
1,000,000 43,750
1,000,000 43,750
Total 175,000

or \$31,650—a gain to the province per
year of \$108,350, as against liability for 25
years. In the N. P. bonds for the R. V.
turned out satisfactorily, the amount
would have to be reduced by 5 per cent, or
\$72,000 a year, or \$36,000.

In any case, however, the "new deal"
saves the country about \$70,000 a year,
for every penny knowing the circumstances
of the province would have been stuck
for every cent of the province at times for
many years to come. Although the new
arrangement saves the country that amount,
for four substantial reasons it is not what
the country had a right to expect, accord-
ing to the Conservative. It is what the
Conservative in the R. V. R. became
the absolute property of the N. P. R. R.
